

HOME HAPPENINGS.

—Regular monthly meeting of council next Monday night.

—Dr. L. D. Coy has placed an order for a fine Reo touring car.

—After many days the welcome sunshine came again Thursday morning.

—A number of deaths have occurred at the county infirmary the past week.

—Carpenters are at work on H. W. Meentzer's new residence on Cross street.

—The Canfield Union schools close a successful year's work this (Friday) afternoon.

—Judge J. C. Ewing has purchased a Cadillac touring car and drives it like an expert chauffeur.

—A meeting of the board of county fair managers will be held today (Friday) at the fair grounds.

—Many former Normalites will be back to Canfield for the events incident to commencement next week.

—O. D. Heintzelman a few days since sold a pair of fine Shetland ponies to Joel Malmbergh of North Benton.

—Poles have been unloaded at the Erie railroad station and the work of rebuilding the telegraph line along the Niles & Lisbon railroad will shortly begin.

—Pupils of the Grammar department of the Union schools were pleasantly entertained last Friday evening by Prof. and Mrs. E. Zimmerman at their home on Lisbon street.

—President Schaeffer of the Canton & Youngstown Electric Railroad Co. is at work in Portage county securing right of way. He hopes to begin actual work of construction about the first of September.

—Canker worms have attacked apple orchards in this county and considerable damage has been done. Spraying will rid trees of the pests. Unless this is done the trees will die in two or three years.

—In the oil well drilled on Alexander Dickson's farm, on the eastern border of the village, a strong flow of gas was struck Tuesday, efficient, it is believed, to supply the village with gas for heating and lighting.

—Union memorial services for the soldier dead held in College Chapel last Sunday night were largely attended. Rev. D. D. Burt delivered an excellent sermon and the services throughout were most impressive.

—Petitions addressed to the cemetery trustees and village council have been circulated and largely signed the past week, asking that the proposed mausoleum be not built in the front of the village cemetery but in the back or new part of the cemetery.

—That the ranks of the old soldiers in this immediate vicinity are rapidly thinning was made painfully apparent by the showing in the parade on Memorial Day. Only eight veterans of the civil war marched to the cemetery to pay honor to their fallen comrades by scattering flowers on their graves.

—An open meeting of the Men's Club will be held in the Presbyterian church this (Friday) evening. Members are expected to take with them their wives and sweethearts. The address will be delivered by attorney L. A. Manchester of Youngstown. The orchestra will furnish music and refreshments will be served.

—Looks now as though Canfield people within a few months will be in the full enjoyment of benefits that natural gas bring. It is understood that parties interested in the gas well struck this week on the Dickson farm will ask council for a franchise to pipe the village at its meeting next Monday night.

—The Woman's Foreign Missionary Society of the Presbyterian church held its regular monthly meeting Wednesday afternoon at the home of Mrs. C. H. Hine, west of the village. Nearly seventy persons were present. Mrs. Perry H. Babcock of Hudson, who has traveled extensively, was present and gave a very interesting and instructive address on Japan.

—It has been suggested that immediate steps be taken in Canfield to raise funds for the erection of a soldiers' monument either in the cemetery or on the public square. This is a matter that should have been taken up years ago. Canfield sent many men to the front during the civil war and a monument in their honor should be provided without further delay.

—The Normal college base ball team went to Warren Monday and met the Warren Business College club on Ritzel field. On account of rain the grounds were in bad condition, but despite this fact the game was a snappy one. The game had to be called in the seventh inning on account of rain, the score standing 10 to 1 in favor of Warren. Up to the sixth inning the teams seemed to be evenly matched, but on account of the wet ball Taber lost control in that inning and several men scored. The local lads speak highly of the treatment accorded them in Warren.

—Memorial Day was fittingly observed in Canfield. At 9:30 a. m. the people assembled at town hall where the procession marched to the village cemetery where squads of boys and girls placed flowers and flags on the graves of the fallen heroes. The day being cold and disagreeable the people returned to the town hall where the exercises were held. H. A. Manchester acted as president of the day. Excellent music was furnished by the band and a male quartet. Following the invocation by Rev. R. E. Pugh, Rev. J. B. Beard delivered an able, eloquent and patriotic address. A lesson in patriotism was given by the old soldiers under the direction of John Martin who also made a few remarks. After the audience sang, "America," Rev. D. D. Burt pronounced the benediction. In the afternoon the graves of soldiers in Zion and Dean Hill cemeteries were decorated by committees delegated to do the work.

—Poland won Second Game.

W. J. SUTTON CALLED.

Death Came Monday Morning as Result of An Unusual Disease.

Walter J. Sutton, one of the best known and most highly respected residents of the village, died Monday morning at his home on High street. He had been ailing for some time but was confined to his home and bed only a few days. A post-mortem examination was made Tuesday evening and it was found that death was due to hydro-nephrosis, an unusual disease of the kidneys. In the case the kidneys weighed four pounds each when the normal weight is about ten ounces. Mr. Sutton's father died of the same disease in 1878 and it was his desire, expressed in his will, that a post-mortem examination be made. Dr. Thomas of Warren and Campbell of Canfield conducted the autopsy, and both said that they had never seen a more remarkable case of the disease. A photograph of the kidneys was taken, and this was compared with a photograph of the kidneys of Mr. Sutton's father, taken over 30 years ago. Mr. Sutton, who was 55 years of age, had spent considerable money in taking treatment for his trouble; and when he realized that death was near, decided to arrange for a post-mortem in order that the medical profession of the country might benefit from learning the particulars of his case. Dr. Thomas took the kidneys of the dead man to Cleveland for examination by experts, and a full report of the peculiarities of the case will be made. Mr. Sutton was accused in his youth for providing for a publication of the result of his post-mortem by the fact that the disease had proved fatal to his father and that he knew that it would cause his own death. The efforts of the doctors to make known the facts in being furthered by the family of the deceased.

Walter J. Sutton was born in Liberty township, Trumbull county, Jan. 31, 1855, consequently had passed his 55th birthday. He was the son of William and Mary Sutton, early settlers of Liberty township. When a young man he became a traveling salesman, representing large hardware and harvesting machinery firms as a general agent, thus becoming widely known throughout Ohio and Pennsylvania. He located in Canfield with his family about ten years ago, recognizing the educational advantages offered here for his children. On July 16, 1880, he was married to Miss Carrie Phoebe Murray of Vienna, who survives him, together with the following children: Claude W., and Miss Ethel, of Pittsburgh; Helen, Kathleen and Carolyn, at home.

Mr. Sutton was a member of the local Methodist church, Vienna Tent, K. O. T. M., and a charter member of Warren chapter of United Commercial Travelers. At the time of his death he was president of the village board of education. In politics he was a democrat.

Funeral services were held from the M. E. Church Thursday morning at 9 o'clock and were largely attended, the public schools being closed out of respect for the deceased. Rev. R. J. Beard conducted the services and was assisted by Revs. R. E. Pugh and D. D. Burt. The floral offerings were many and beautiful. The remains were taken to Vienna and after short services in the M. E. Church were laid to rest in the Vienna cemetery.

STRONG OBJECTION OFFERED

By a Citizen to the Erection of a Mausoleum in the Front of the Village Cemetery.

Editor Dispatch:—Desiring to voice the sentiment of many of the citizens of Canfield, I wish to call attention to the mausoleum about to be erected in our cemetery.

Our officers seem to consider it their duty to simply consider their personal pleasure, regardless of those whose votes place them in power and whose hard-earned taxes have developed the field they are about to mar; and have advanced their work to the extent of locating the ground to be used and staked it out, without (so far as we know) even looking up the statutes and in defiance of just and fair consideration and appear determined to force their plans upon the public.

Now, we as inhabitants citizens protest against such willful action and are ready to act as true citizens should if the present plans of the trustees are followed.

If they push their plans through by a minority desire, we can at least spot these as offending society to considering the public welfare-making device. It benefits only a few individuals.

As a compromising substitute, I would suggest the purchase of more ground, whereupon a suitable location for the mausoleum can be selected, which one trustee states has been promised the promoters and this will also supply a demand for more ground—that is sure to come later on.

Canfield, O. G. N. B.
